DETAILED ACTION

Response to Amendment

Claims 1-30 and 32-34 are pending in the instant application. Claims 16-22 have been amended and claims 32-34 have been added as requested by applicants in the communication filed August 6, 2001.

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. The objection to claims 16-22 and 32-34 as being multiple dependent is maintained. The rejection is maintained for essentially the same reasons as the rejection as set forth in the previous office action. Applicants amendment and remarks have been fully considered but were not deemed persuasive for the following reasons. The amendment to the claims to read " any of claims 1-14 or 15" is not acceptable. The claim language suggests that only claim 15 is in the alternative. The examiner suggests the language, "any one of claims 1-15" to overcome the objection.
3. THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
